

TO THE CITIZENS OF LINCOLN COUNTY. VALUABLE CITY. For New Subscribers TO THE LINCOLN COUNTY HERALD FOR THE YEAR 1867.

The proprietor of the Lincoln County Herald is desirous of increasing its subscription list thereby enabling him to make it more useful and interesting to its patrons.

The necessity and importance of sustaining your own county paper must be evident to all in order that you may see and read the legal and other important facts that have to be published.

The Herald has been established one year, and its proprietor has just completed a new building in which to carry on the printing business, no one who pays in advance need have any fears of a failure.

There is one important fact we wish to impress upon the mind of every reader in this county, that unless the citizens render a handsome and reasonable support to the paper printed in their county, by liberal subscriptions, job work and advertisements, they cannot expect a very good paper.

Please read the following Liberal Offer for the Year 1867. For a club of 75 new subscribers at \$1.50 each, we will give a Shaw & Clark Sewing Machine worth \$25.00.
